And, switching topics and thinking about Iran...

Q25 As you may know, negotiations are underway between Iran and a group of six other nations, including the U.S. The objective of the negotiations is to try to prevent Iran from developing a nuclear weapon. The proposed agreement attempts to achieve this by allowing inspections into Iran's nuclear sites in exchange for reducing certain economic sanctions that are currently in place. Do you support or oppose pursuing this agreement or do you not know enough to have an opinion?
